UNIVERSITY OF SCIENCE  
VIETNAM NATIONAL UNIVERSITY - HCM CITY

EXCELLENT PROGRAM

## OVERVIEW

With the aim of training high-quality human resources to meet the demand of domestic and foreign enterprises, the Faculty of Information Technology has deployed a **high-quality training program** based on academic credit system, **accredited under ASEAN University Network - Quality Assurance, with the first courses started in 2013.**

Output standards of the program are built according to **the standards of CDIO**, ensuring that the students are equipped with adequate knowledge, skills and attitudes to meet the demands of the society upon graduation. The program is built on the balance based on the equipment of professional knowledge and the development of personal skills, soft skills and foreign languages it is guaranteed that graduate students can work well in both domestic and foreign enterprises or further their study at postgraduate level.

**EXCELLENT PROGRAM**
